

## VISITING STUDENTS

Name	Institution	Nation	Gender	Study level	Visit Period spent @DCCI	Months	Supervisor	Project Activity
JARMOUNI Nabila	University of Hassan	Marocco	F	PhD	21.12.20 - 31.07.22	19	Pineider Francesco	Synthesis and characterization the nanoparticles of the hybrid perovskite materials
HUNT Ellen	University of Glasgow	Scotland	F	MSci	3.10.22 - 31.07.23	9	Degano Ilaria	Development and application of analytical techniques for the characterization of organic dyes and pigments in works of art
SOUSA Diogo Alexandre Cartaxo	University of Lisbon	Portugal	M	PhD	01.11.22 - 01.03.23	4	Pescitelli Gennaro	Chiroptical investigation and recognition studies of chiral carbon dots (Chi-CDs)
KASMIARTI Getari	Sriwijaya Univerity	Indonesia	F	PhD	01.12.22 - 01.06.23	6	Raspolli Galletti Anna	Study by an experimental point of view of BioCatalytic and Chemocatalytic Processes
TWOMEY Amy	University College Cork	Ireland	F	Postgraduate Scholarship	01.03.23 - 31.07.23	5	Taddei Marco	"Synthesis of heterogeneous catalysts based on amine modified metal-organic frameworks
ABDALLAH Yosra Ben	Faculty of Sciences of Monastir	Tunisia	F	PhD	15.09.23 - 15.12.23	3	Iuliano Anna	Synthesis of chiral tiazoline ligands and their use in asymmetric catalysis
ZEINEB Chorfi	University of Ferhat Abbas Setif-1	Algeria	F	PhD	01.11.23- 01.12.23	1	Marchetti Fabio	Synthesis, spectroscopic and analytical characterization of organometallic iron complexes
DIARRA Hawa	National School of Enginering Abderhamana Baba Toure (ENI-ABT)	Mali	F	Master	01.04.24 - 28.6.24	3	Jeannette Luceijko	Analytical pyrolysis coupled with cromatography and mass spectrometry to characterize converted plastic materials from used tires
YETIS Ezgin	Ankara Haci Bayram Veli University	Turchey	M	PhD	15.03.24 - 14.07.24	4	Bonaduce Ilaria	"Investigation of painting techniques and organic materials on wall paintings found in some Ottoman Mosques in Edirne - Turkey".
